

# GLOBAL MANUFACTURER GETS PROACTIVE WITH IDENTITY PROTECTION

INDUSTRY — MANUFACTURING

## COMPANY

This U.S.-based company is a leading global manufacturer recognized world-wide for quality kitchen and bath products, engines and power generation systems, furniture and decorative tile.

## CHALLENGE

With the increasing threat of identity theft, this company wanted to provide its highest risk stakeholders — starting with its board of directors — comprehensive identity protection. The concern went beyond the individual as any identity breach could negatively impact the brand and market value of the company. These high-risk stakeholders required comprehensive protection due to their strong visibility in the business and philanthropic communities, along with their high net worth.

## SOLUTION

The company selected UltraSecure+Credit from IdentityForce to provide the most robust, comprehensive, proven solution to deliver the complete protection needed for their Board of Directors including:\*

- Credit Reports and Credit Scores
- Credit Monitoring and Alerts
- Advanced Fraud Monitoring
- Bank and Credit Card Activity Alerts
- PC Protection Tools

\*Partial list of features

## WHY IDENTITYFORCE

- IdentityForce, a Sontiq brand, was highly recommended to the company by a common partner, a global insurance company, through the company's benefits consultant.
- For their Board of Directors, the company needed a solution with concierge-level, fully managed and personal restoration services provided by Certified Protection Experts 24/7, a key element of the IdentityForce solution.
- In a heavily regulated industry, IdentityForce has a stellar history of compliance, reducing risks.

## RESULTS

The IdentityForce solution, paid for by the company, has 100% participation. These comprehensive identity protection services have kept the company's high-risk stakeholders safe for more than eight years.

**100%** Participation

**8 YEARS** of Full Protection
